 Lamplighters World Mission works in Sri Lanka, starting churches, training ministers and supporting local Christians. Due to the world situation, it is very difficult for Stephen Bycroft to return to Sri Lanka but he is in telephone communications with Niranjan, the local director, on a regular basis. Currently Lamplighters has seven active churches and a church plant in process which is being facilitated by the local preachers. One minister recently resigned so they are searching for his replacement.
 Current prayer needs are:

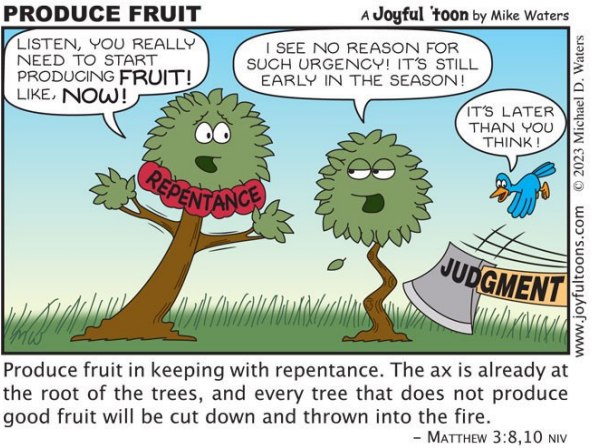

- Right now India is very much persecuting Christians. Homes are being burned and people are being killed. There is a trickle down effect in Sri Lanka with persecution of Christians.
- Disciple making programs and church growth
- Future ministry plans and new mission points including the new church plant.
- Finding a replacement for the minister who resigned
- Nirangan's father is in very bad health and needs prayers for healing

Really appreciate the church there and your faithful prayers, concern and finances to the ministry in Sri Lanka. God Bless, Steve.
