Missions ~ Mission Moment from the Stanley's: Although we are supposed to be retired, we continue to go to the Umzumbe church a few times each month where Michael preaches short messages. It's good to keep contact with the people there. In March we attended some of the meetings of the annual Ministers' Week where ministers and their wives meet to worship and have lessons and fellowship. We love being able to see them and catch up on their lives and ministries. Fortunately the week-long meeting of folk from all over South Africa was held at a place only about 10 miles from our home so we were able to be there during the day. (We have stopped driving at night.) The Umzumbe Bible Institute property was officially handed over to the national Church of Christ Mission on November 7, 2023 and the deed has been handed over to them. They have some plans for the future and we will let you all know how those plans progress. Health-wise, we are both fine other than a few age issues. Michael is coping with his Parkinson's as he has a good medication for it. Our prayer request is for a minister for the Umzumbe church. It is a small congregation with mostly women and children so income is very limited. They can't afford to pay a minister. We have approached ministers from nearby Christian churches to see if their ministers might be able to each take turns coming to Umzumbe, but so far that has not happened. Again a huge thank you to the Roseville Christian Church for their continued support. We are so blessed! THANK YOU! Michael and Caryl
