Missions ~ **One Family One Purpose**

One Family One Purpose is a Christ centered non-profit organization committed to connecting willing hearts with individuals in need. Based in Hancock County, the mission is to minister to those in need through building projects. OFOP has spent the last decade building homes for survivors of natural disasters. These disaster relief projects give willing individuals an opportunity to give in a tangible way. Homes are fully funded and constructed by a group of committed servants and churches, all in the name of Jesus Christ.

In May of 2024, Greenfield, Iowa was hit by a devastating tornado. After much prayer, a family in Greenfield was selected as recipients of a new home provided by One Family One Purpose. The home was constructed beginning on November 30 and presented to the family in December of 2024.

Roseville Christian Church supports the mission of One Family One Purpose through our Faith Promise missions program. Please continue to keep the staff and volunteers in your prayers as they seek to minister to families who have lost homes due to natural disasters.

### Give Up Control

*"So do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For the pagans run after all these things, and your heavenly Father knows that you need them. But seek first His kingdom and His righteousness. And all these things will be given to you.*

**Matthew 6:31-33**

How many times have you, frantic over a looming major decision, called your BFF rather than hit your knees? Or believed something you read in a magazine over what you read in the Bible?

Count me guilty on that one, too.

As I've said before and I'll say again, fear is really a control issue. We think if we can somehow maintain control over the things that happen to us, we'll be able to cruise along in happiness, peace, and tranquility. We may think we're in control, but the fact is, we've never been in control. And we never will be.

For some of us control addicts, that's the most frightening thought of all.
