Since 1957, Cookson Hills has provided a nurturing home, quality Christian education and therapy services in a safe environment. They are a children's home, serving kids ages 5-17 who are at risk because they have experienced challenges with family life, homelessness, poor peer relationships, abuse, or neglect. Cookson Hills offers a no-cost solution for these kids and their families. Compelled by the love of Christ, the team works together to fulfill the vision to raise up healthy individuals who are empowered to positively impact future generations. Psalm 34:18 says, "The Lord is near to those who are discouraged; he saves those who have lost all hope." In addition, Cookson Hills is committed to good stewardship of the funds entrusted to us. Funded by individuals, churches, and foundations, Cookson Hills is able to provide care to every kid who qualifies. They will never go into debt, nor will they accept government funding. This allows Cookson Hills to freely teach the students about the life changing hope of Jesus. Some of our graduates attend Bible Colleges.

Most important of all, we have seen several of our kids accept Christ in the last year and are grateful for how God is moving on our campus.

Please pray for the future of Cookson Hills. Pray for unity of vision that they will be aligned with God's will for Cookson Hills. Pray that they may reach the children and families who need them and expand the impact of Cookson Hills. Bless the current staff and encourage them as they help the children to know the Lord. Provide for this home as you have promised to do.

The staff at Cookson Hills thank you for your financial support and for praying for Cookson Hills and its children.

**Take some time and read Zechariah 8.**

In this passage, Zechariah is conveying the words of the Lord to the people, and it's all about how He will one day call all His people back to Jerusalem. For those hearing this from Zechariah, it means that all the people still in exile will one day return home, and God will be with them and bless them. Additionally, some Gentiles will come with them, as they will see how God has blessed His people. For you and me this passage is a message of hope, that on day God will come again and establish a new Jerusalem, it will be heaven and he will bring all his people from all ends of the earth to him in this new Jerusalem where he will dwell among them, and people will look and see believers and desire to follow after them and see what God is doing. This passage is a call to serve the lord with Joy because of what God is doing and the glorious future he has for his people. Find ways to serve God this week, to love your neighbor, and work for the glorious future God has for us.
