Missions

Helping Hands relies completely on volunteers to do all of their work. Please pray that new people will be interested in joining the Board that operates the organization. It is a significant time commitment but a very rewarding service. The Board members keep Helping Hands running. Please pray that other people will volunteer to help with the twice weekly pantry shifts. This is a three hour commitment each time. Helping Hands hope the volunteers will do one or two shifts per month. These volunteers work with the folks who come for food, taking them through the pantry personally. Each volunteer is on their feet the entire time -- and again, it is very rewarding to do this work. If you cannot volunteer yourself, please pray that people who can will learn of the need for volunteers.

**In the Line of Duty**

A driver tucked this note under the windshield wiper of his automobile; "I've circled the block for twenty minutes. I'm late for my appointment and If I don't park here I'll lose my job. 'Forgive us our trespasses.'"

When he came back he found a parking ticket and this note: "I've circled the block for twenty years and if I don't give you a ticket, I'll lose my job. 'Lead us not into temptation.'"

**Thank you** for all the prayers while my car was down and to the people who shuttled me around. Barb Davis

**Dear Roseville Christian Church Board**

I just realized I had not thanked you for the gift at Christmas time. I apologized for that oversight because I truly appreciate it! Thank you for the opportunity to use my love of playing piano for the Lord! Jolece Wainman

**Read acts: Acts 19**

When Paul Planted the church in Ephesus he stayed there for 3 years. Three years he worked, and built and grew that body of Believers. A church that Starts out as a few believers baptized by John the Baptist, grows under his care to a place where Idol worship for the Greek Goddess Artemis was the main form of worship, and Paul through his prayers and miracles is building a church out of these followers. Paul was so filled with the Holy Spirit that even handkerchiefs he had touched were curing spirits and casting out evil spirits.

His ministry became so huge that local sorcerers tried to cash in on his fame by casting demons out themselves, and Acts 19 lays out how this does not go their way. Even through the riots against the Christians that the silversmiths who make idols to Artemis the church in Ephesus holds fast and strong in that community, even after Paul leaves and some of the church leaders are driven out.

This is the church that Paul writes his letter too, one that has been through persecution, one that has seen God's miracles and watched Paul perform wonders. When we jump into our study of the book of Ephesus remember Paul spent three years with these people, teaching and healing them. And so, when Paul writes to them, he writes as one who knows them, their strengths and weaknesses, their passion for the Gospel and the flaws they have in themselves.
