Missions Dear Roseville Christian Church,

We are continuing to enjoy retirement and seem to keep busy. We get to spend quite a lot of time with our children and grandchildren. We are blessed to have them all close by.

We go to the church at Umzumbe about once a month now so we can keep in touch with the people there. Michael doesn't preach anymore as his memory isn't so good. However when we are there he often leads the communion service.

A minister from a nearby Church of Christ has been coming once a month to preach and he is also helping them with the up-keep and decision-making for the church property.

Recently the Umzumbe church had a spate of burglaries. Thieves came in the middle of the night the first time on the 3rd of March and stole electric cables. They have returned

now. People from the church started doing night-watch duty and have been able to chase the thieves away, but none of them have now. People from the church started doing night-watch duty and have been able to chase the thieves away, but none of them have been caught. Unfortunately, they are not the only victims of the cable thieves. Even in our housing areas there have been multiple cable thefts which means we sometimes have no electricity for a few hours. The thieves steal the cables to get the copper to sell. In spite of the frustration with the burglaries, the church continues to function. Please keep them in your prayers.

Michael and I are doing quite well. Michael continues to do his daily exercises and his Word Search puzzles and we do a daily walk. We can see the Parkinson's progressing, but it is a slow progression for which we are thankful.

Once again thank you to Roseville Christian Church for the continued support. It is greatly appreciated as our medical insurance premium goes up every year. Please convey our thanks to all involved in our support.

With grateful thanks.

Michael and Caryl Stanley
